(MSc PN) Course

CALL FOR APPLICANTS FOR THE ACADEMIC YEAR 2016/2017

Become a "Paediatric Nurse"

Paediatric nurses are registered nurses (RNs) with advanced training in care of children and adolescents. Our MscPN course –the first course of its kind in Tanzania is designed to accommodate practicing nurses who wishes to take a valuable break at work for 2 years by studying to become a specialised paediatric nurse.

Eligibility criteria

- i. A GPA of at least 2.7 in Bachelor of Science in Nursing (BScN), or Bachelor of Science in Nursing education (BScNE) or Bachelor of Science in Mental Health Nursing (BScM) or Bachelor of Science in Midwifery abbreviation (BScMid) or Bachelor of Science in Nursing Management or Bachelor in Nursing Science from a recognised University
- ii. Graduates from the other recognised Universities with at least a GPA of 2.7 in their first degrees mentioned above are eligible for selection when **they have fulfilled the following criteria** specified under item iii. and iv, below.
- iii. Graduates mentioned in item i. above should have a minimum of 2 years work experience
- iv. Graduates should have a valid licence to practice as registered nurses and midwives with the Tanzania Nurses and Midwives Council (TNMC) before their enrolment to the program for Tanzanians. International students should have a proof of licence to practice from the regulatory body of their own country.

Course Duration: 2 academic years
