
About the program

Based on the former exchange program between Mwanza and its German partner Würzburg City, medical students from CUHAS-Bugando are invited to spend 6 to 8 weeks at the University of Würzburg (JMU) and partnering Institutions. Within the Else Kröner-Fresenius Centre (EKFC), up to 5 students from CUHAS can be funded for their stay in Würzburg every year.

In 2021, visits to Würzburg are planned for September and October 2021.

EKFC exchange stipend

The EKFC grant for undergraduate student exchange will cover for the travel costs Mwanza – Würzburg and the accommodation and stipend in Germany. EKFC scholars will not be charged any study fees in Germany.

Who can apply?

Eligible applicants must be undergraduate students registered as full-time students in the Weill Bugando School of Medicine for Doctor of Medicine (MD) programme. Applicants must be 4th year Medical students who have completed their 8th Semester without any supplementary as evidenced by progress report from Dean of Weill Bugando School Medicine upon application deadline.

Selection of scholars will base on:

- I. Academic performance measured as grade point average for the full completed courses
- II. The voluntary engagement in the community activities outside the compulsory studies
- III. The leadership records in the past four years at the University
- IV. The outline.

Participation frequencies

Students may participate in the exchange programme only once in the course of their studies.

When to apply

Application deadline for the exchange 2021 is May 31th 2021.

How to apply

Complete applications consist of

- i. Application form (see below)
- ii. Progress report from the Dean Weill Bugando School of medicine indicating the GPA of full completed courses
